

DHANVIN RANJITH

ENGINEER

KOZHIKODE, KERALA | DHANVINRANJITH@GMAIL.COM | +91 9895966934

OBJECTIVE

I am a motivated BTech student specializing in Artificial Intelligence and Data Science, having the desire to apply the machine learning and data analyzing skills for solving complex problems and creating a better balance in the society. I am interested in showcasing my skills to perform effectively in a team.

COMPUTER SKILLS

- Programming ability in
 - C
 - PYTHON
 - R
- CAD and CAM- Computer Aided Designing and Manufacturing (AUTOCAD FUSION 360 software)

SKILLS

- Adaptability
- Team work
- Conflict resolution
- Decision making
- Resilience

EDUCATION

- Bachelor of Technology
Artificial Intelligence and Data Science 2023-
pursuing

Minor in Computer Aided Designing and
Manufacturing
Rajagiri School of Engineering and Technology
(Autonomous) Ernakulam, Kerala

-
- HSE/12th (2021-2023)-
Physics, Chemistry, Mathematics, Computer
Science, English, Hindi
Silver Hills Higher Secondary School
Kozhikode, Kerala
Percentage – 97.5
 - SSLC/10th (2020-2021)-
Physics, Chemistry, Biology, Mathematics, Social
Science, English, Hindi, Malayalam 1, Malayalam 2
Silver Hills Higher Secondary School
Kozhikode, Kerala
Grade- A plus

AWARDS

- Best standout performer (senior category) in
Homie code 2022 International robotics and AI
coding competition

COURSES COMPLETED

- Newbie coder Python Bootcamp – 1 month
(09/08/2021)
AI & Machine Learning with Python – 8 months
course (10/06/2023)

LANGUAGES

- English – speak and read/write with good
proficiency
- Malayalam – native language
- Hindi

ACTIVITIES

- Sports
- Travel
- Music
- Literature
